Examinations and Grading: There will be three midterm examinations and a comprehensive final examination. Please note that the hourly examinations will be held on Wednesday evenings from 7:00 to 8:30 in the Events Center. The final examination will be held in Muenzinger Auditorium.

There will be no make-up exams, however, you are permitted to miss one of the midterms if you choose since only two midterm exams will be required. (If you take all three midterm exams, we will drop your lowest of the three midterm scores).

Ten percent of your final grade will be based on your performance in weekly recitations. Your T.A. will describe those requirements at the first meeting of your recitation section.

Total performance will be based on a scale of 1,000 points, distributed as follows:

- Midterm Exam 250 points
- Midterm Exam 250 points
- Recitation 150 points
- Final Exam 350 points

Grades will be assigned as follows:

- A = 800 - 1000 points
- B = 700 - 799 points
- C = 600 - 699 points
- D = 500 - 599 points
- F = Fewer than 500 points
