This class will provide students with an introduction to a number of theoretical formulations addressing developmental issues.

TEXT:

ADDITIONAL READINGS:

GRADES:
GRADE = ((EXAM 1 + EXAM 2 + EXAM 3)/3) + TOTAL EXTRA CREDIT.
Letter grades assigned as follows:
A = 90 - 100
B = 80 - 85.9  B+ = 86 - 89.9
C = 70 - 75.9  C+ = 76 - 79.9
D = 60 - 65.9  D+ = 66 - 69.9
F Less than 59.9

NO CURVES! NO GIMMEES!

EXAMS
Each exam contains material from lectures, the textbook and additional readings. The format for each exam will be discussed prior to the exam dates.
JUNE 16...EXAM 1:Ch. 1-4 Additional readings #1-3
JUNE 28...EXAM 2:Ch. 5-8 Additional readings #4
JULY 8....EXAM 3:Ch. 9-12

EXTRA CREDIT
Periodically I will administer a short quiz at the beginning of class. I consider the points you earn on these quizzes extra credit towards your final grade. The grades on the quizzes will not hurt your final grade; however, their will be approximately 5 points available, allowing you to make quite an improvement on your final average.
